Our Parent Company **JAIN PACKING**, started this Business in 1996 we have a Good Experience of Manufacturing.

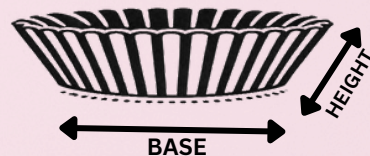

Our commitment to quality and innovation ensures that each mold we produce not only upholds the standards of hygiene but also enhances the baking experience. Let us introduce you to the different qualities and sizes of paper molds that we offer.

BAKING CUPS

Cupcake liners/ baking cups/ sweets cup/ chocolate cups are small, often fluted cups made of parchment paper /greaseproof paper / glassine paper. They are used to line cupcake pans in order to facilitate the cakes' removal. They are also often used to hold finished pastries/ sweets/ cakes/ chocolates/ cookies, making them easier to hold and transport. They can range from plain white to a variety of colors and patterns.

OUR VALUES AND COMMITMENT

At **Hygienic Pack**, we blend quality, sustainability, and innovation to create top-tier baking solutions. Our mission goes beyond just producing paper cups and molds—we strive to make baking easier, greener, and more delightful.

Sustainability First: Our products are biodegradable, compostable, and made from responsibly sourced materials.

Unmatched Quality: Heat-resistant, greaseproof, and certified for food safety.

Designed for You: Custom branding options to make your products stand out.

Order of any Size: Whether you're a solo baker or a global brand, we cater to all.

Why Choose Hygienic Pack?

Save Time & Energy: No greasing or washing needed—just bake and enjoy!

Eco-Friendly Impact: Reduce carbon footprint with our recyclable, compostable products.

Custom Orders: Flexibility for businesses of all sizes.

Client Trust: Certified and recognized by Big Industrial Brands for sustainability and quality.

Upgrade your food product with Hygienic Pack—*where convenience meets sustainability!*
